Farmers Market Application – 2010

Basic Policies:

All vendors are bound to state and federal regulations required for the products they are selling.

The 9th & 9th business district board of directors reviews all vendor applications. Approval of your application will be given in writing from the board.

Vendors are required to clean their stall after each use. Fines will be assessed to violators.

All vendors must feature signage of business name and printed prices of items for sale.

Products must originate from Utah and be sold by the original producer of the goods, unless written approval from the board is given.

Space is limited and will be given on a first come first serve basis.

Vendors are responsible for all necessary equipment, tables, and signage to display and sell their goods.

Vendors are responsible for any loss or damages.
